

TREASURER'S REPORT

August 21, 2023

The July Financial Report is not complete, and so no report is attached. The partial report requires some corrections and additions. Some expenses have not yet been accumulated and entered. Pledge revenues show the usual early-year higher-than-budget trend, as some pledges were paid in the past fiscal year and have just now been entered.

August numbers will reveal more information about trends. Chelsea, the new bookkeeper, is catching on quickly, and we expect financial data to be available in a more timely manner.

Respectfully submitted,

Michael Griffith, Treasurer
